## MATHA WA CHAI 950

*Singleton 12 Sweet Potato Puree Lemon Juice Ginger Cinnamon*

The day begins with a fight against my alarm clock, until I remember - it's Fura-hi-day - I've come this far in a grueling week and I need to end it on a high note, celebrating what has gone right (and forgetting about what has gone wrong). I know I won't be coming home at a decent hour, so I stop by my favorite roadside stall to line my stomach for the shenanigans ahead. A Matha Wa Chai does the trick and gives me the exact kick I need to start the day.

## TAO TAO 950

*Tanqueray Gin Thyme Infused Cointreau Truffle Oil Infused Honey NSK Orange Bitters Lemon Juice Aquafaba Rosemary Essence*

Emboldened by the morning's tonic, I make my way to the matatu stand, breaking into a run at the sound of the tout's warning calls, making it just in time to catch my ride. After a manic fight through traffic, I am glad to alight in *Tao-Tao*, plunging into the vibrant, boisterous crowd of young professionals, friendly (but persistent) hawkers, and city-street preachers.

## KAA RADA 950

*Ketel One Vodka Chili & Garlic Infused Dry Vermouth*

I move quickly through the crowded, narrow streets of the city center, on high alert. It's important to be Ka-Rada - in town, anything goes. But the city's fast-paced, high spirit is impossible to resist and, reenergized, I hurry towards the office, eager to be done with the daily grind and usher in the evening.

## KUNA FORM 950

*Tanqueray No.10 Lychee, Basil Lemon Elderflower Syrup Tonic Water*

At my desk, the hours crawl by and I constantly check my phone, eager for tonight's plan. Just when I am beginning to lose hope, a Whatsapp message from my bestie lights up the screen - Kuna Form? I immediately, and happily, confirm. It's a light-hearted, open invitation that doesn't tell me where the night will go, but promises one thing for certain: it's going to be a good one.

## SOO MOJA 1000

*Bacon Infused Bulleit Bourbon Sugar Syrup Caramelized Bacon*

When the clock strikes 5:30, I am hit by a sudden buzz of excitement. All I can think about is unwinding with my group to some good music, delicious food, and a So-Moja, a proven remedy that works quickly to ease my worries and fade away any troubles. After the week I've had, I deserve it. For now, I must be strong and unshakeable as I power through the growing peak-hour crowd to make it to my first stop.

## KIBANDASKI 950

*Don Julio Reposado Sweetcorn Milk Lime Juice Sugar Syrup*

My people greet me warmly when I finally make it to the Kibandaski. Here, the atmosphere is cheery, exuberant, and oh-so-sweet - the perfect aperitif to our Friday night plans. While catching up with old friends and even making some new ones, I keep my eyes peeled for the infamous Kanjo. They are liable to sneak up at any moment, and I don't want my night to end before it even starts.

**KANJO**

**950**

*Ketel One Citron Vodka , Elderflower Syrup , Lemon Juice, Citric Acid , Soda Water*

A loud cheer greets me when I finally make it to the Kibandaski. The outdoor eating joint is already celebrating the end of the week and we gather around the open fire, sinking our teeth into freshly roasted maize, smeared with lime, salt, and spices. While catching up with old friends, and making some new ones, I keep my eyes peeled for the neon yellow jackets and green trousers of the infamous Kanjo. They are liable to sneak up at any moment, and I don't want my night to end before it even begins!

**KIGEUGEU**

**950**

*Tanqueray No.10 Gin, Citrus Heart, Purple Haze Tea, Soda Water*

As the sun slowly sets, the evening comes alive and promises of a good time hang in every corner. With the night still young, my plans are constantly changed by my friends' Kigeugeu minds. Nairobi is the quintessential playground for the hardcore party animal and nobody sticks to the original plan.

**MASANSE**

**950**

*Ketel One Vodka, Clarified Tomato Essence, Seasoning*

Drink. Dance. Repeat. Of all the choices I have, nothing beats partying to Ol' Skool jams on my favorite rooftop patio. High up over the city, we forget the week, spill secrets over (yet another!) shot, and karaoke it out when the DJ plays our tunes. We flirt a little with cute strangers, but never get too close. The Masanse could be anywhere and we always stick together, especially when sharing our alcoblw-free routes home.

**MBAO MBAO**

**950**

*Fig Infused Ketel One Vodka, Lemon & Thyme Syrup, Blueberry Puree, Aquafaba*

The night conquered, we exit NSK onto emptying streets. Close by, I hear the familiar banging on a matatu roof, the loud whistles of a friendly conductor, and his welcome calls: Mbao-Mbao! It's an unbeatable price for some much-needed relief, and we jump into the neon-lit bus, happy to rest our tired feet, laugh over the evening's harmless fun, and start making plans for the weekend ahead.

**KA SU PU**

**950**

*Bone Marrow Infused Johnny Walker Black Label, Lemon Juice, Sugar Syrup*

The next morning's headache is legendary. Thinking about sticking to the brunch plans I made so joyfully over happy hour cocktails yesterday is the last thing I want to do, but if anything can lift me out of hangover hell, it's the Kasupu that's waiting for me when I arrive. As always, it does the trick. By the time the glass is drained, my suffering is a distant memory, and I am fresh, energized, and ready to do it all over again!
